

## **RUSH**

My mamma told me to be careful  
with them guys like you  
But she don't know how I can loosen up  
after a drink or two

I've been a good girl all my life  
now its time to try out something new  
This seems to be a situation  
I don't know what to do

Stop putting me under pressure  
I really wanna enjoy the pleasure  
Wanna be your only treasure  
Got me beggin' please

**I'm getting a rush**  
**Cuz my body just wants your touch**  
**Aha, put that love on me**  
**Getting a rush**  
**Hold me close but make it rough**  
**Aha, put that love on me**

**Getting a rush**  
**Rush, rush, rush**  
**Getting a rush**  
**Rush, rush, rush**

Gon' need your company  
to make me feel the way I do  
Don't need to justify why  
you're the only guy I'm drawn to

Stop putting me under pressure  
I really wanna enjoy the pleasure  
Wanna be your only treasure  
Got me beggin' please

**I'm getting a rush**  
**Cuz my body just wants your touch**  
**Aha, put that love on me**  
**Getting a rush**  
**Hold me close but make it rough**  
**Aha, put your love on me**

*Getting a rush*  
*Rush, rush, rush*  
*Getting a rush*  
*Rush, rush, rush*

Stop putting me under pressure  
I really wanna enjoy the pleasure  
Wanna be your only treasure  
Got me beggin' please

**I'm getting a rush**  
**Cuz my body just wants your touch**  
**Aha, put that love on me**  
**Getting a rush**  
**Hold me close but make it rough**  
**Aha, put your love on me**

**I'm getting a rush**  
**Cuz my body just wants your touch**  
**Aha, put that love on me**  
**I'm getting a rush**  
**Hold me close but make it rough**  
**Aha, put your love on me**
